

Exhibit Application Process

Paintings, prints, crafts, photographs, jewelry, ceramics, sculpture, drawings, and mixed-media works by local artists and crafts people are exhibited year-round at the County Government Center, 701 Ocean Street, Santa Cruz (as well as Simpkins Family Swim Center, Health Services Agency, and other County offices).

Artists and craftspeople residing in Santa Cruz County are invited to apply. In addition to the exhibition wall space on the first and fifth floors, the Government Center has 8' cases for display of three-dimensional work and fine crafts. All shows will be approximately 10 weeks long, beginning in February 2008.

The next application due date is in November of 2007. Applications will be available in August at the Cultural Council website, and the following locations: Santa Cruz Art League, Cultural Council office, and Mountain Art Center.

Interested artists will be screened by the Cultural Council's Exhibition Selection Committee, which consists of two professional artists, a Cultural Council Board Member, a Santa Cruz County Arts Commissioner, a representative from the County Parks Department, and two County employees. The Selection Committee strives to provide quality exhibitions that represent the diverse talents of local artists. Artists should be aware that the County Government Center is not a gallery and should plan their shows to be appropriate for a public office building.
